A FAMILY-RUN 'HOME FROM HOME'

WELCOME to Green Trees, which is a small 16 bed family run Care Home

situated in the conservation area of Hadley Wood. The building is of Edwardian origin, standing in $\frac{3}{4}$ of an acre of grounds, the rear garden of which has a large pond, complete with fish, that attracts local wildlife. The garden is secluded and sheltered by mature trees and shrubs and is wheelchair accessible.

We are a short distance from the local park, and a 5-minute car ride from Trent Park.

Within a few minutes' walk is Hadley Wood main line station, coffee shop, mini supermarket, newsagents etc. Barnet and Enfield shopping centres are a 10-minute car journey away.

OUR AIM is to make your stay with us as happy and as comfortable as possible and to give you a high level of care to enable you to have the best quality of life that your abilities will allow.

FIRE PROCEDURES

The home is fitted with a full fire alarm system and fire exits are clearly marked. All our staff are trained to react in the case of an emergency.

Fire procedures are placed at strategic parts of the building and residents and visitors are requested to familiarise themselves with these.
